

Movie Recommendation App - Engineering Diagrams

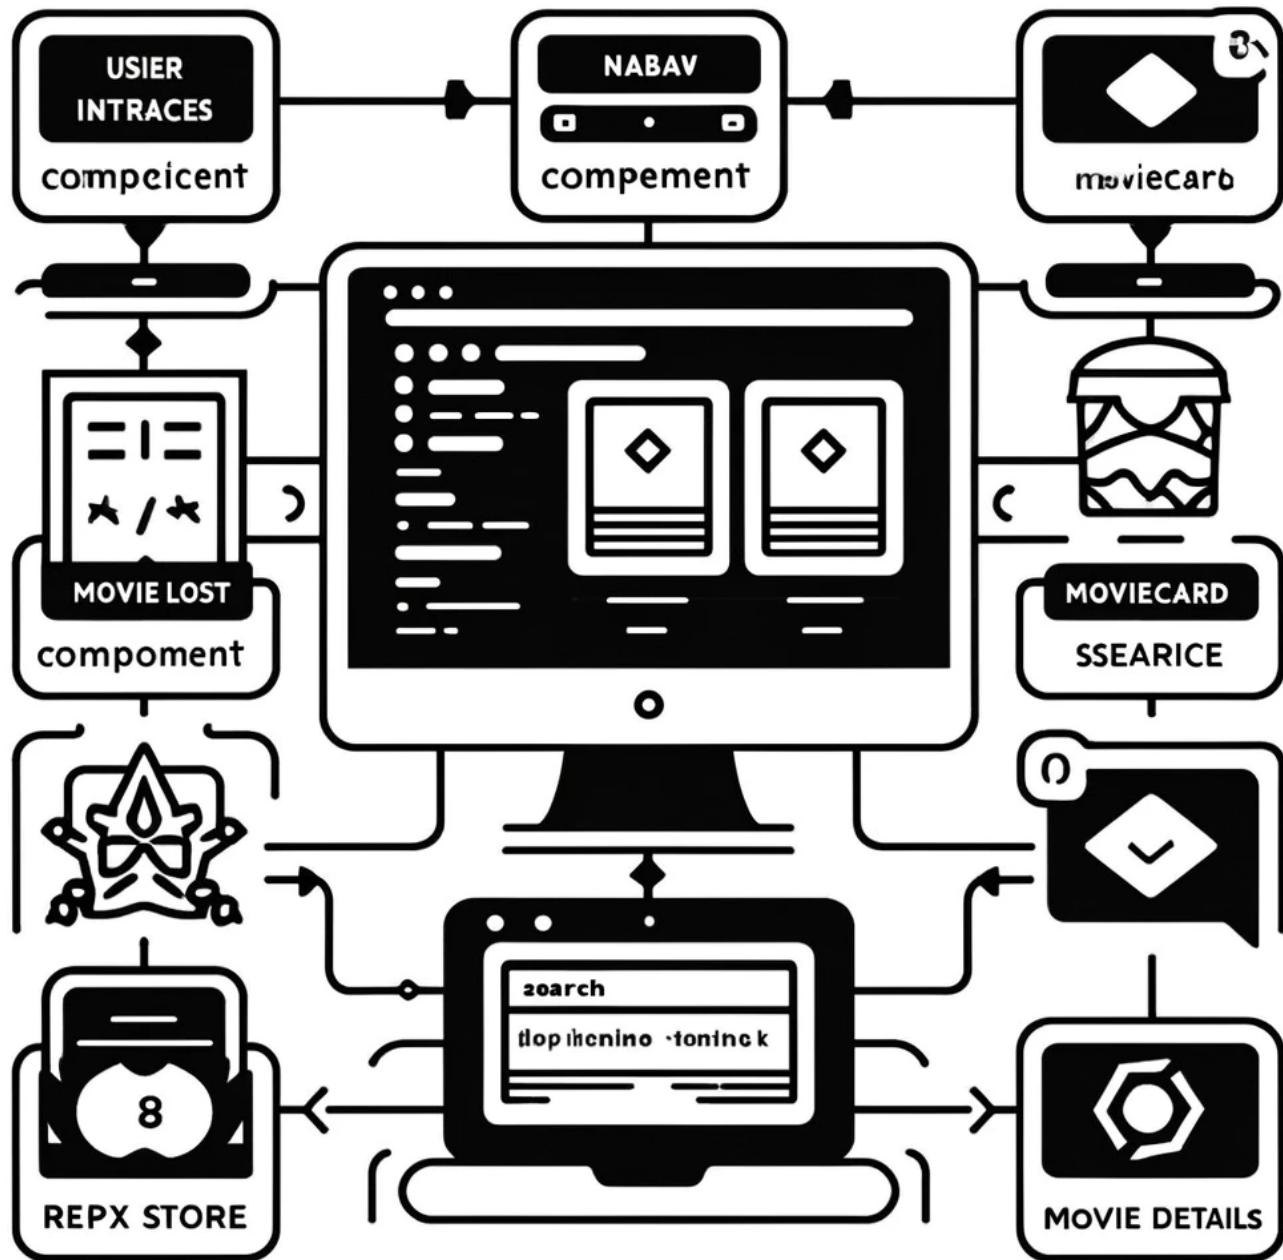

Deployment Diagram

This diagram represents the deployment diagram of the Movie Recommendation App, showing the structure and data flow.

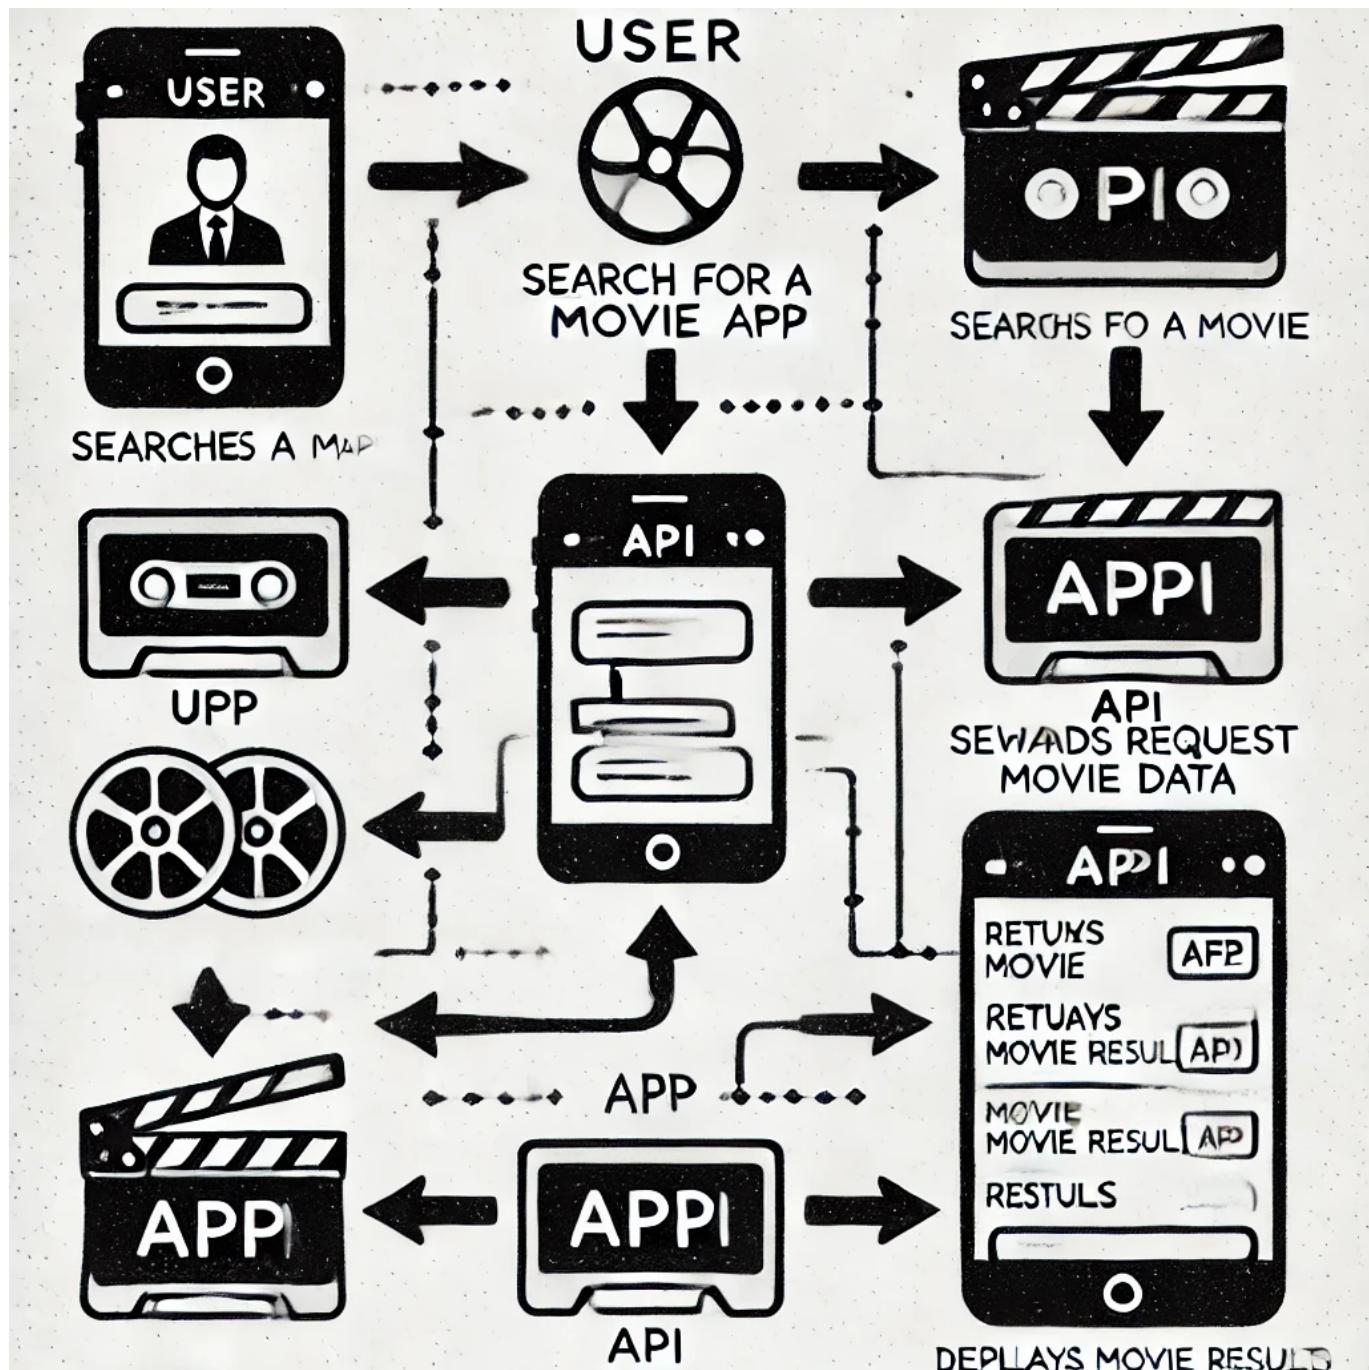

Component Diagram

This diagram represents the component diagram of the Movie Recommendation App, showing the structure and data flow.

Data Flow Diagram (DFD)

This diagram represents the data flow diagram (dfd) of the Movie Recommendation App, showing the structure and data flow.

Sequence Diagram

This diagram represents the sequence diagram of the Movie Recommendation App, showing the structure and data flow.

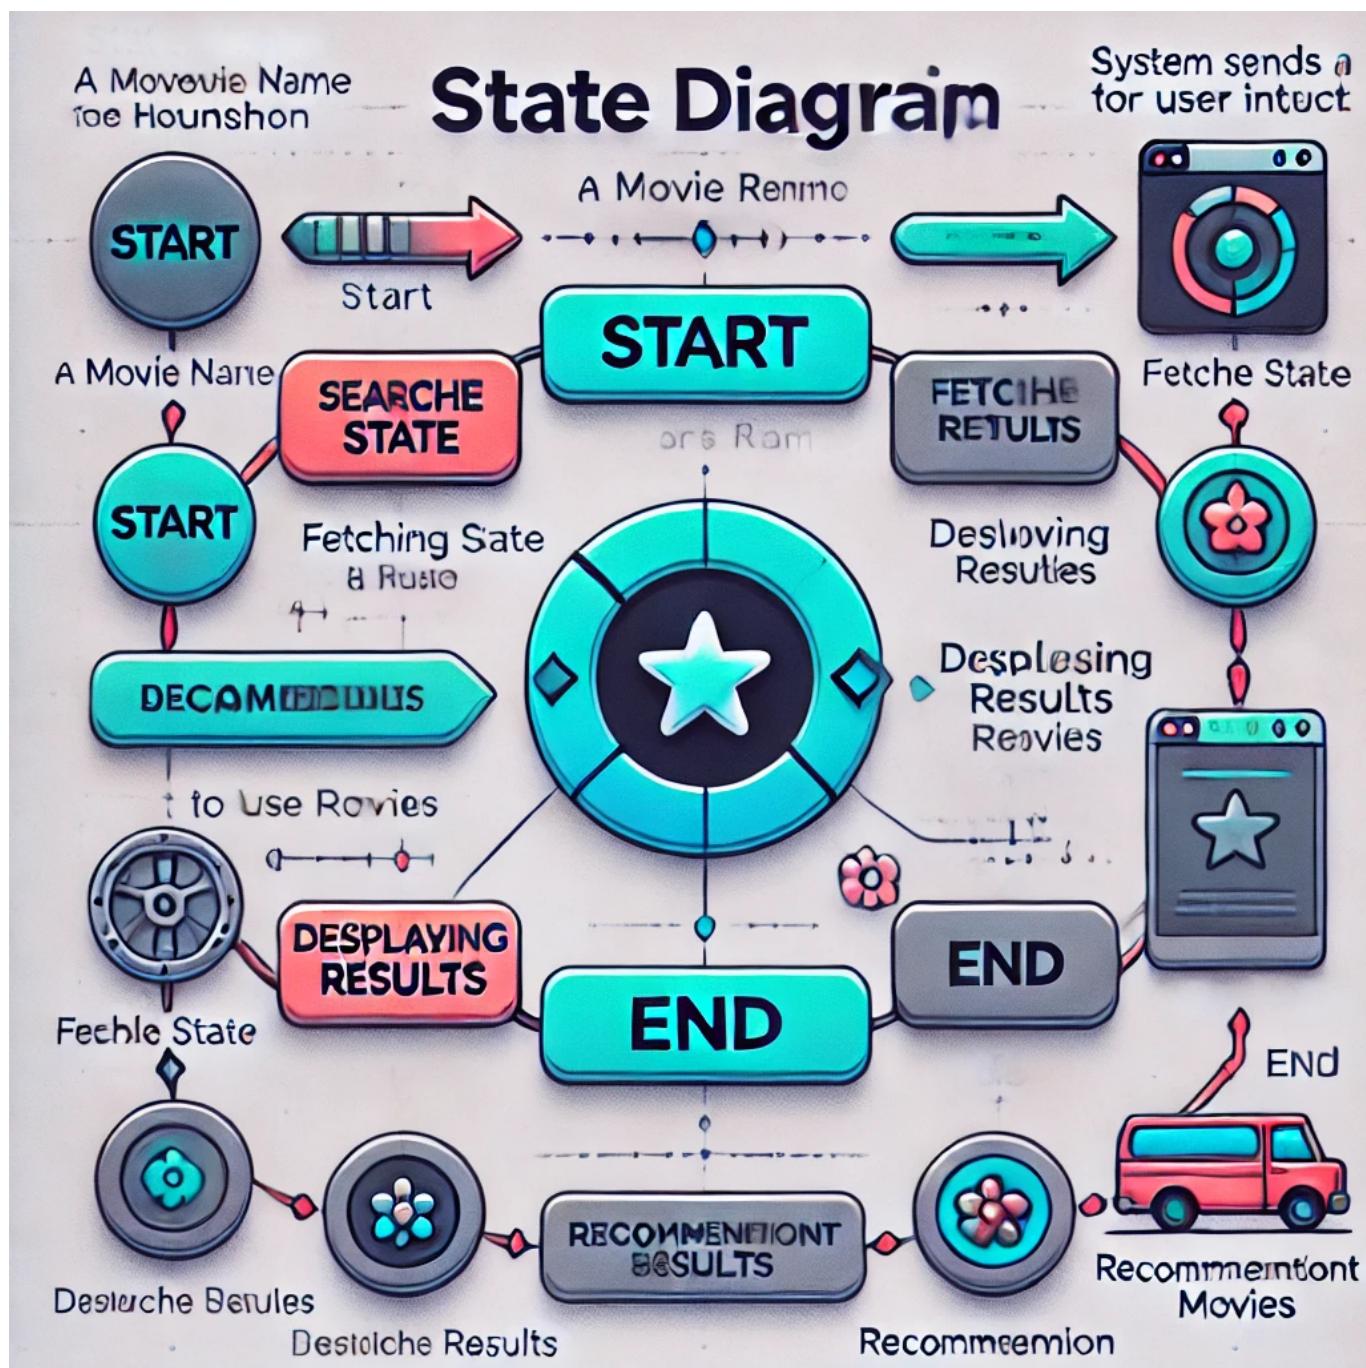

Activity Diagram

This diagram represents the activity diagram of the Movie Recommendation App, showing the structure and data flow.

State Diagram

This diagram represents the state diagram of the Movie Recommendation App, showing the structure and data flow.

Class Diagram

This diagram represents the class diagram of the Movie Recommendation App, showing the structure and data flow.
